

404 Fan Top Block Fringe

Reference: 404

To give curtains an added lift, Fan Top Fringe can be applied to the pelmet or leading edge, either inset or set on. This trimming can also be added to the base of a blind or lampshade to achieve greater visual interest.

Composition	Use	Style	Trimmings Size
100% mercerised cotton	Pelmets,Lampshades	Block Fringe	Width 6.5cm
