

Arbour Panel

Reference: 392/02

The Arbour Panel design gives wool a new lightness and delicacy. A textured fabric, it features a horizontal and vertical ombre checked ground behind raised branches, cleverly created with tufted yarn during the weaving process. Panels can be used singly or hung together to create a continuous pattern. The ombre check is also available without the tufted branches.

Colourway	Width	Composition	Use	Style	Material	Repeat
Eclipse	140cm	100% Wool	Curtains	Woven,Patterned,Panel	Wool	330cm
