

GEORGE SPENCER DESIGNS

Verto

Reference: 3037F

U-shapes formed from lines of varying thickness arranged in a quad, which repeats to create a larger, hypnotic pattern. Delightfully bold, Verto is a fabric that is designed to make a statement. Formed from recycled cotton, Verto has a boucle appearance and a soft, tactile quality, making it suitable for both upholstery and heavy drapery.

Width	Composition	Use	Style	Material	Repeat
140cm	82% Cotton, 10% PA, 6% PL, 2% PC	Heavy upholstery	Patterned	Cotton	Horizontal 37cm / Vertical 35cm
