

GEORGE SPENCER DESIGNS

Rust

Reference: 3037F/04

U-shapes formed from lines of varying thickness arranged in a quad, which repeats to create a larger, hypnotic pattern. Delightfully bold, Verto is a fabric that is designed to make a statement. Formed from recycled cotton, Verto has a boucle appearance and a soft, tactile quality, making it suitable for both upholstery and heavy drapery.

Colourway	Width	Composition	Style	Repeat
Rust	140cm	82% Cotton, 10% PA, 6% PL, 2% PC	Printed	Vertical 37cm / Horizontal 35cm
