

## Cinchona

**Reference:** 388/02

This Matisse-like abstract floral has a characterful textural presence. The cotton/linen weave is printed and then embellished with raised chain stitch embroidery. Named after the tree that provides quinine and has the pretty pointed leaves featured in this design, Cinchona comes in five colourways, ranging from lively Tropical to soothing Pampas Grass.

Colourway	Width	Composition	Use	Style	Material	Repeat
