

## Coral Reef

**Reference:** 3002F/05

Inspired by the wondrous Great Barrier Reef of east coast Australia, Coral Reef features a fun pattern of winding soft coral. An unearthed 1990s design from George Spencer Designs' archive, it has been recoloured and reimagined for 21st century living.

| Colourway    | Width | Composition              | Use   | Style             | Material     |
|--------------|-------|--------------------------|---|-------------------|--------------|
| Meadow Green | 140cm | 82% Linen,<br>18% Cotton | Curtains,Light<br>upholstery,Medium<br>upholstery | Patterned,Printed | Cotton,Linen |
