

## Cosmos

**Reference:** 389/02

Inspired by daisy petals, Cosmos has a textured weave with a very soft handle. More interesting than plains, the collection offers subtle decorative and textural detailing for mid-weight upholstery, curtains and cushions. Made from an artisan boucle yarn, Cosmos features characteristic irregularities which give the fabric an organic tactile look and feel.

Colourway	Width	Composition	Use	Style	Material
Snow	130cm	76% Cotton, 11% Linen, 11% PAN, 2% PA	Curtains, Heavy upholstery	Plain, Woven, Textured	Cotton, Linen
