

## Hedera

**Reference:** 390/05

Hedera is a charming, small-scale print featuring twining ivy. Reminiscent of a traditional wood block print, it has an Arts & Crafts feel which sits well in both period and contemporary settings. A robust cotton/linen weave, Hedera is perfect for curtains as well as medium weight upholstery and cushions.

| Colourway | Width | Composition              | Use                           | Style             | Material     | Repeat |
