

## Ottoman Stripe

**Reference:** 383/09

Inspired by a 1980's original from the George Spencer Designs' archive, Ottoman Stripe is a complex geometric rendered with great subtlety. The overall effect is warm and luxurious, perfect for light/medium upholstery, curtains, and cushions. It comes in nine co-ordinating colours, designed to be used separately or together.

Colourway	Width	Composition	Use	Style	Material
Thunder	140cm	52% Linen 48% Cotton	Curtains,Light upholstery,Medium upholstery	Patterned,Printed,Geometric	Cotton,Linen
