

Anna Maria

Reference: 616H

Taking its inspiration from an Anna Maria Garthwaite design from the 1700s, this wallpaper is a bold and vibrant multi-coloured floral design that adds a classic, stately feel to interiors. The original design has been exaggerated and enlarged to dramatic effect. Available in 3 colourways. Made in England, George Spencer Designs' hand block printed wallpapers have an exceptional handmade quality and stand-out depth of natural colour.
