

## Marble

**Reference:** W100/01

Designed for George Spencer Designs by Neisha Crosland, Marble is part of the Japan Collection of wallpapers. It replicates, in small-scale, the swirling effect often seen in dreamy, luxurious marbles, and comes in 5 muted colourways. The Japan Collection is made up of complex small patterns which give a soft, textural appearance to walls.

Colourway	Repeat	Scale	Roll Size
Pale Moss	7cm	Small	10m x 70cm
