

501 Rope

Reference: 501/05A

Rope can be sewn or glued onto a pelmet, knotted to create decorative detailing or used as a finishing touch for the border of a cushion. It can also be applied onto fabric walling to conceal staples, achieving a sleek, seamless look.

| Colourway | Composition | Use | Style | Trimmings Size |
|--------------------|------------------------|-------------------|-------|----------------|
| Verdigris 4 colour | 100% mercerised cotton | Cushions, Walling | Rope | Diam 1.25cm |
