

701 Rope

Reference: 701/01

Rope can be sewn or glued onto a pelmet, knotted to create decorative detailing or used as a finishing touch for the border of a cushion. It can also be applied onto fabric walling to conceal staples, achieving a sleek, seamless look.

| Colourway | Composition | Use | Style | Trimmings Size |
|-----------|----------------------|------------------|-------|----------------|
| Evergreen | wool / cotton ground | Cushions,Walling | Rope | Diam 1.25cm |
