

901 Rope

Reference: 901

Rope can be sewn or glued onto a pelmet, knotted to create decorative detailing or used as a finishing touch for the border of a cushion. It can also be applied onto fabric walling to conceal staples, achieving a sleek, seamless look.

| Composition | Use | Style | Trimmings Size |
|------------------------|------------------|-------|----------------|
| 100% mercerised cotton | Cushions,Walling | Rope | Diam 1cm |
